Thanksgiving Turkeys

Order Your Turkey Here!
Pickup Saturday or Sunday, November 23 or 24, 2019

Turkeys cost \$4.99/lb & range in size from 19-30 lbs and include about 1.5 pounds of "giblets" to make gravy (neck, liver & heart).

Turkeys are freshly frozen when harvested. Pickup 3 or 4 days prior to Thanksgiving allows enough time to thaw.

Our turkeys are free range and raised in our lush pastures and allowed to roam and eat the vegetation as they please. We raise only heritage breed turkeys with a high quality of life, and are grown with respect and care. Feel free to visit our farm and meet our farm family..
